## Start new employees off **STRONG**

There's nothing like being given a behavioral assessment in a new job and then trying to get your head around what it means for you.

Give your employees a leg up by getting the new DVD by Shandel: **The Next Level.**

### It'll help new employees:

- Unpack the results of the Personal Engagement and Motivation Assessment (PEM)
- Learn more about what the DISC Behavioral Assessment means for their roles
- Understand how to communicate better based on the Emotional Quotient (EQ) Assessment results

**It's the next best thing to an in-person session with Shandel!**
